

14x10x04 ABS Plastic Weatherproof Outdoor IP55 NEMA 3 Enclosure, Hook & Loop Mounting, 120 VAC outlets Gray (4-Pack)

TEP141004-100-4

Features

- Compact Weatherproof Molded ABS Enclosure
- Fully gasketed padlockable raised lid
- NEMA Type 3 / IP55 rated
- Removable 120 VAC power module
- Heavy duty hook-and-loop tape for mounting equipment in enclosure

Applications

- Remote Wireless LAN WiFi equipment installations
- Indoor and outdoor installations
- Rapid Deployment Installations
- Corrosive environments & hotspot applications
- Protection of equipment from theft or damage

Description

Secure your wireless equipment...

Remote wireless equipment such as access points, routers and bridges often are more vulnerable to tampering and theft. This can disrupt and even cripple critical communications. A low cost solution for protecting and securing your wireless equipment is the TEP141004-100-4. This rugged, weather-proof composite enclosure is ideal for both indoor and outdoor applications. The compact size of this enclosure makes it ideal for locations with limited space requirements such as equipment closets or mobile applications. Also due to its size, the TEP141004-100-4 can be used where aesthetics are important, such as in offices and in public areas requiring HotSpots.

The 10.5" x 9.5" x 4" (266 x 241 x 101 mm) compartment features a removable power module with two 120 VAC outlets. This power module has provisions to install two additional outlets. Cable access to the inside of the enclosure is via three rubber cable glands located on the bottom. Equipment can be mounted inside the enclosure by using the included hook-and-loop tape. The raised lid features a continuous gasket and a quick release latch with provisions for a padlock. The enclosure material is UV stabilized molded ABS. Three gasketed mounting holes are provided inside the enclosure for easy installations.

The TEP14-PMT17 pole mounting kit (sold separately) is specifically designed for this enclosure and allows you to securely mount the enclosure to any 3-12 inch diameter pole

These enclosures are also sold individually as Item #TEP141004-100

Size

Outer Height	14.5 in	[368.3 mm]
Outer Width	10.8 in	[274.32 mm]
