

20x16x08 UL® Listed Polycarbonate Weatherproof Outdoor
IP68 NEMA 6P Enclosure, Clear Lid, Dark Gray

TEWPC201608

Features

- UL® Listed High-Impact, UV Resistant Polycarbonate (Dark Gray)
- Non-metallic latches and a padlock eye
- NEMA Type 6P/ IP68 rated*
- Fully gasketed clear lid & integrated wall mount flange
- Low Profile, easily removable, Stainless Steel piano style hinge pin

Applications

- Remote Wireless LAN WiFi equipment installations
- Indoor and outdoor installations
- Rapid Deployment Installations
- Corrosive environments & hotspot applications
- Protection of equipment from theft or damage

Description

The box is a rugged weatherproof enclosure that is ideal for both indoor and outdoor applications. Constructed from High-Impact, UV Resistant Polycarbonate material that provides superior durability to impacts and ease of modification while maintaining minimum weight. It is well suited for high temperature or corrosive environments. The integrated wall mount flange allows the enclosure to be mounted directly to any flat wall surface provided proper screws are used into secure studs. The integrated flange also allows you to use compatible TEF-PMT pole mount kits to mount to a variety of pole diameters. The clear lid features a Stainless Steel piano style hinge pin system that allows for quick removal & can be reattached just as quickly for maximum access and flexibility to install equipment. The clear lid provides an unobstructed view inside the enclosure allowing for the monitoring of installed equipment and its data readout, activity or warning lights without the need to open the lid. The enclosure comes with a pair of Non-Metallic locking latches to provide a tight NEMA Type 6P/ IP68 rated* seal. The lid includes a padlock eye allowing you to secure the enclosure from tampering or unauthorized access. The enclosure comes in a Dark Gray (Pantone 422C)

The TEF-PMT series of pole mounting kits allow the populated enclosure to be securely mounted to a variety of different size poles.

Compatible versions include TEF-PMT35, TEF-PMT36, TEF-PMT37, TEF-PMT38 (sold separately)

Mounting standoffs inside the enclosure can be used to install backplates.

We offer three compatible aluminum back plate options (sold separately)

- TEF-PLATE41 with dimensions of 18.8" x 14.9"
- TEF-PLATE42 with dimensions of 19.4" x 15.4" which provides 10% more mounting space
- TEF-PLATE43 with dimensions of 21.1" x 17.1" which provides 20% more mounting space

We also offer a standard PVC back plate (sold separately)

- TEF-PLATE44 with dimensions of 18.8" x 14.9"

Additional compatible accessories available: (sold separately)

- TEPC-20-DIN35K DIN Rail Kit

*Note: Any holes or openings you might introduce must be properly sealed to maintain NEMA Type 6P / IP68 rating
